ANEE'S SCHOOL

A SENIOR SECONDARY SCHOOL

About Us

"At ANEE's it's not just about what you learn or what you do . . . it's about who you become".

For over a decade, Anee's Schools has been preparing students for success in higher education, career, and life. We are a co-educational, private high school serving over 1500 students from Kindergarten to XII in both its campuses. While about 85% of our students come from Suburbs in tricity, we welcome the diversity brought by students from nearby rural denominations.

Three main principles guide our program of comprehensive education:

- ❖ Academic Excellence
- ❖ Discipline and Honesty
- ❖ Leadership and Service

At Anee's we strive to provide our students:

A Value-Centered Education.

Each student is treated as unique, blessed with gifts and talents waiting to be nurtured. Our Value-centered environment and challenging higher education curriculum not only nurtures academic excellence, but prepares each student for a life anchored in faith and dedicated to service.

Our courses are taught from a Humanitarian perspective, with faculty members serving not only as teachers, but also as coaches, sponsors, mentors, encouragers, and friends to our students.

A Well-Rounded Education.

As private schools, we're large enough to offer a full complement of co-curricular activities and small enough for each student to find a niche. Many of our students balance excellence in academics with active roles in athletics, clubs, music, drama and other co-curricular activities.

The Path to Success.

In our schools, it is our goal that each student grows in ethics, learns for excellence, and leads with integrity.

Our Motto - "Scientia Est Potentia- Knowledge is Power"

From the desk of CEO

In this ever changing society the young minds are pitted with drastic changes in their environment. Today, education is facing new challenges not only to prepare competent professionals but to develop a sound individual.

Since its founding a decade ago, Anee's school has been preparing students with an education for a lifetime. A rigorous academic experience focussed on traditional core curriculum challenges students and gives them the foundation to become better thinkers and communicators.

A rich tradition of athletics teaches students the important lessons of the playing field, sport and the outdoors.

And the new addition of the boarding school would help build in students a respect for and responsibility towards others and one's self.

Additionally, we have structured our management team to case manage every individual student and assist them in their journey throughout their schooling life and beyond.

Our vision of education extends far beyond the classroom. We encourage our students to involve themselves in the broad co-curricular program. Students have the opportunity to participate fully on the sporting field, on the stage, in leadership activities, Vocational Education and Training courses and on the Debating platform.

We expect high standards in all that we do at Anee's School. We encourage our students to aim high in their studies, to work hard and to be sensitive to the rights and needs of others.

**CA Aneet Goel
CEO**

Faculty - Our Guiding Light

We have a team of qualified, trained and experienced teachers who believe in giving focussed attention to each student. The teacher student ratio at Anee's is 1:15 or less. There are teacher assistants to the class teacher and maids catering to the pre- primary and primary children.

Various teaching workshops and orientation programmes are organised in school and outdoor to upgrade the teaching skills of the current faculty and keep them abreast with the latest teaching methodologies.

"Opening Minds.....Creating Futures"

School Vision

Anees's is a group of diverse and inclusive school, committed to academic excellence and integrity. We provide instruction in a caring, safe and healthy learning environment, responsive to each student, in collaboration with families and the community.

Mission Statement

" To prepare our students for higher education and for life and to provide an atmosphere in which all the members of our diverse, engaged and purposeful small school community appreciate and strive for excellence, to create an environment that nurtures character and fosters the development of mind, body and spirit."

Aims & Objectives

The purpose of ANEE's Schools is to provide an excellent and stimulating education for boys and girls, by developing character, intellect and physical well being within a happy, scholarly and caring environment. In order to achieve this, the School aims to:

Beyond Academics

Education is the process of instruction aimed at the all round development. It dispels ignorance. At Anee's, learning includes imbibing moral values, steeling of character and building mental strength.

Our educational programme fosters team spirit and promotes co-operation. These values are considered sacred and precious.

We are confident that apart from having knowledge and excelling in academics, our students become individuals with integrity and sense of purpose.

Thus, we at Anee's strive to provide our students:

- An insight to the world and their surroundings
- Knowledge about their responsibilities towards the society and mother earth
- Importance of all the National and International special days
- Organise public campaigns to educate the society about national and international concerns like Pollution, safe driving, planting trees, Aids awareness, etc.
- Giving back to the society in the form of Community Service.
- Celebrating all the national and International days with right attitude , love and fervour.

Curriculum

Anee's schools, Greater Mohali & Mohali are affiliated to CBSE New Delhi Vide Registration No. 1630565 and 1630868 respectively.

Anee's is a YLE Cambridge school and the syllabus is integrated with the YLE syllabus in the English language. This gives the children an access to an international benchmark certificate in language skills. Besides these, earnest efforts are being made to integrate Alternative Learning Techniques in the teaching of English and Maths.

The School is also enrolled in a cultural exchange programme under AIESEC, which is an international youth platform and active in 102 countries all over the world to promote cultural awareness.

The school has a tie-up with foreign institutions for higher education programmes.

QUANTA 2013 Achievers

International Competition for Science, Mathematics, Mental Ability and Electronics

Students of Anee's Schools were cordially invited by CMS (City Montessori School) to attend Quanta 2013 International Competition of Science, Mathematics, Mental Ability and Electronics. Noble, Umang, Jagdeep, Rinkle, Prabhpreet and Archit were the students who got the opportunity to participate in his competition. This competition witnessed a worldwide presence of students of different nations like Russia, Jordan, Brazil, Nepal, Nigeria and Malaysia who took part in the event which was conducted in India.

The students took part in debates, aqua-challanges, robotic and quiz competitions and also showed keen interest in cultural programs. A five day camp brought a glow on the faces of the students - the brightness of education. The students were honoured by director CEO Aneet Goel. Moreover, students enjoyed the program and termed it as the biggest program which has the potential to unite the world.

Seminar on Education and Women Empowerment

Anee's School was delighted to invite India's **first woman IPS Officer Dr. Kiran Bedi** on the Seminar on "Education and Women Empowerment". She appreciated Anees school on empowering students with knowledge, expanding their area of exposure to the world.

"Dawn is when every child of the country sleeps with food in the stomach and wakes up with the urge and eagerness to learn something new."
